

EAGLE CLUBS

All Grades Club

GenerationOn

GenerationOn's programs help young people learn to volunteer and give from an early age by providing and promoting meaningful hands-on service opportunities that accommodate a wide range of ages, abilities and interests. We strive to provide opportunities to represent the power of all young people to make their mark on the world. Join this 3rd Generation of SST Alamo student and family volunteers to show our community... together we can do so much! Cost- \$10 for year.

Meeting times- 1st and 3rd Thursdays of each month

Sponsor- Mrs. Aceves , Co-Sponsors- Mrs. Ennis and Ms. Lee

All Grades

Elementary School Clubs

Math Blocks Club

Ms. Lee's Math Blocks Club is a way for 1st and 2nd graders to improve their basic math skills through hands on activities and games!

We meet every Monday until 5:00pm and it is \$25 for the year. A binder will be kept to track progress and keep work samples

Cyberwise

Cyberwise club aims to increase elementary students' awareness of online safety and cybersecurity principles by fun, interactive, engaging learning modules provided by National Youth Cyber Education Program. Given the increasing presence of the Internet in society, the program also aims to help students understand the widespread importance of cybersecurity in their everyday lives and equips them with skills to help better protect themselves on the Internet. Limited capacity available and students' academic and behavioral performance will be considered for selection process. Sponsor Mrs. Baki.

Club meets on Thursdays 3:05pm to 3:45pm for 4th and 5th Grades (First meeting is on October 4th)

Cursive Club

To teach and apply cursive handwriting using practice pages and games.

Sponsor-Mrs. Guerra

3rd -5th Grades

JOIN ME IN

Cursive Club

BEGINS SEPTEMBER 18, 2018
TUESDAYS & THURSDAYS
3:30-5:00 PM
ROOM 108

Middle School Clubs

Alamo Aerie News Club

Students will learn the fundamentals of writing in Associated Press style, how to interview, write articles, take photographs, and basic videography skills. We will publish a school news website and we also film the morning announcements for the school.

Sponsor –Mrs. Hacker

Club meets on Mondays and Tuesdays from 3:15 PM to 5:15 PM. Club is for 6th-8th Grades.

"A separate signed permission slip is required before a student may join this club. Forms are available to be picked up from Ms. Hacker and/or the front office."

CyberPatriot Club

CyberPatriot is the National Youth Cyber Education Program. At the center of CyberPatriot is the National Youth Cyber Defense Competition. The competition puts teams of high school and middle school students in the position of newly hired IT professionals tasked with managing the network of a small company. In the rounds of competition, teams are given a set of virtual images that represent operating systems and are tasked with finding cybersecurity vulnerabilities within the images and hardening the system while maintaining critical services in a six hour period.

Teams compete for the top placement within their state and region, and the top teams in the nation earn all-expenses paid trips to Baltimore, MD for the National Finals Competition where they can earn national recognition and scholarship money.

Sponsor Ms. Hacker

Club meets Thursdays and Fridays from 3:15 PM to 5:15 PM. Club is for 6th-8th Grades.

"A separate signed permission slip is required before a student may join this club. Forms are available to be picked up from Ms. Hacker and/or the front office."

Student Council

To represent SST student body and serve the needs of the student body through activities, fundraisers, and weekly meetings, to build a sense of community within SST with family, students, faculty, and staff.

Sponsor Mrs. Wilson.

The club meets on Thursdays at 7:00-7:30am for 6th-8th Grades

CRLP (College Readiness and Leadership Program)

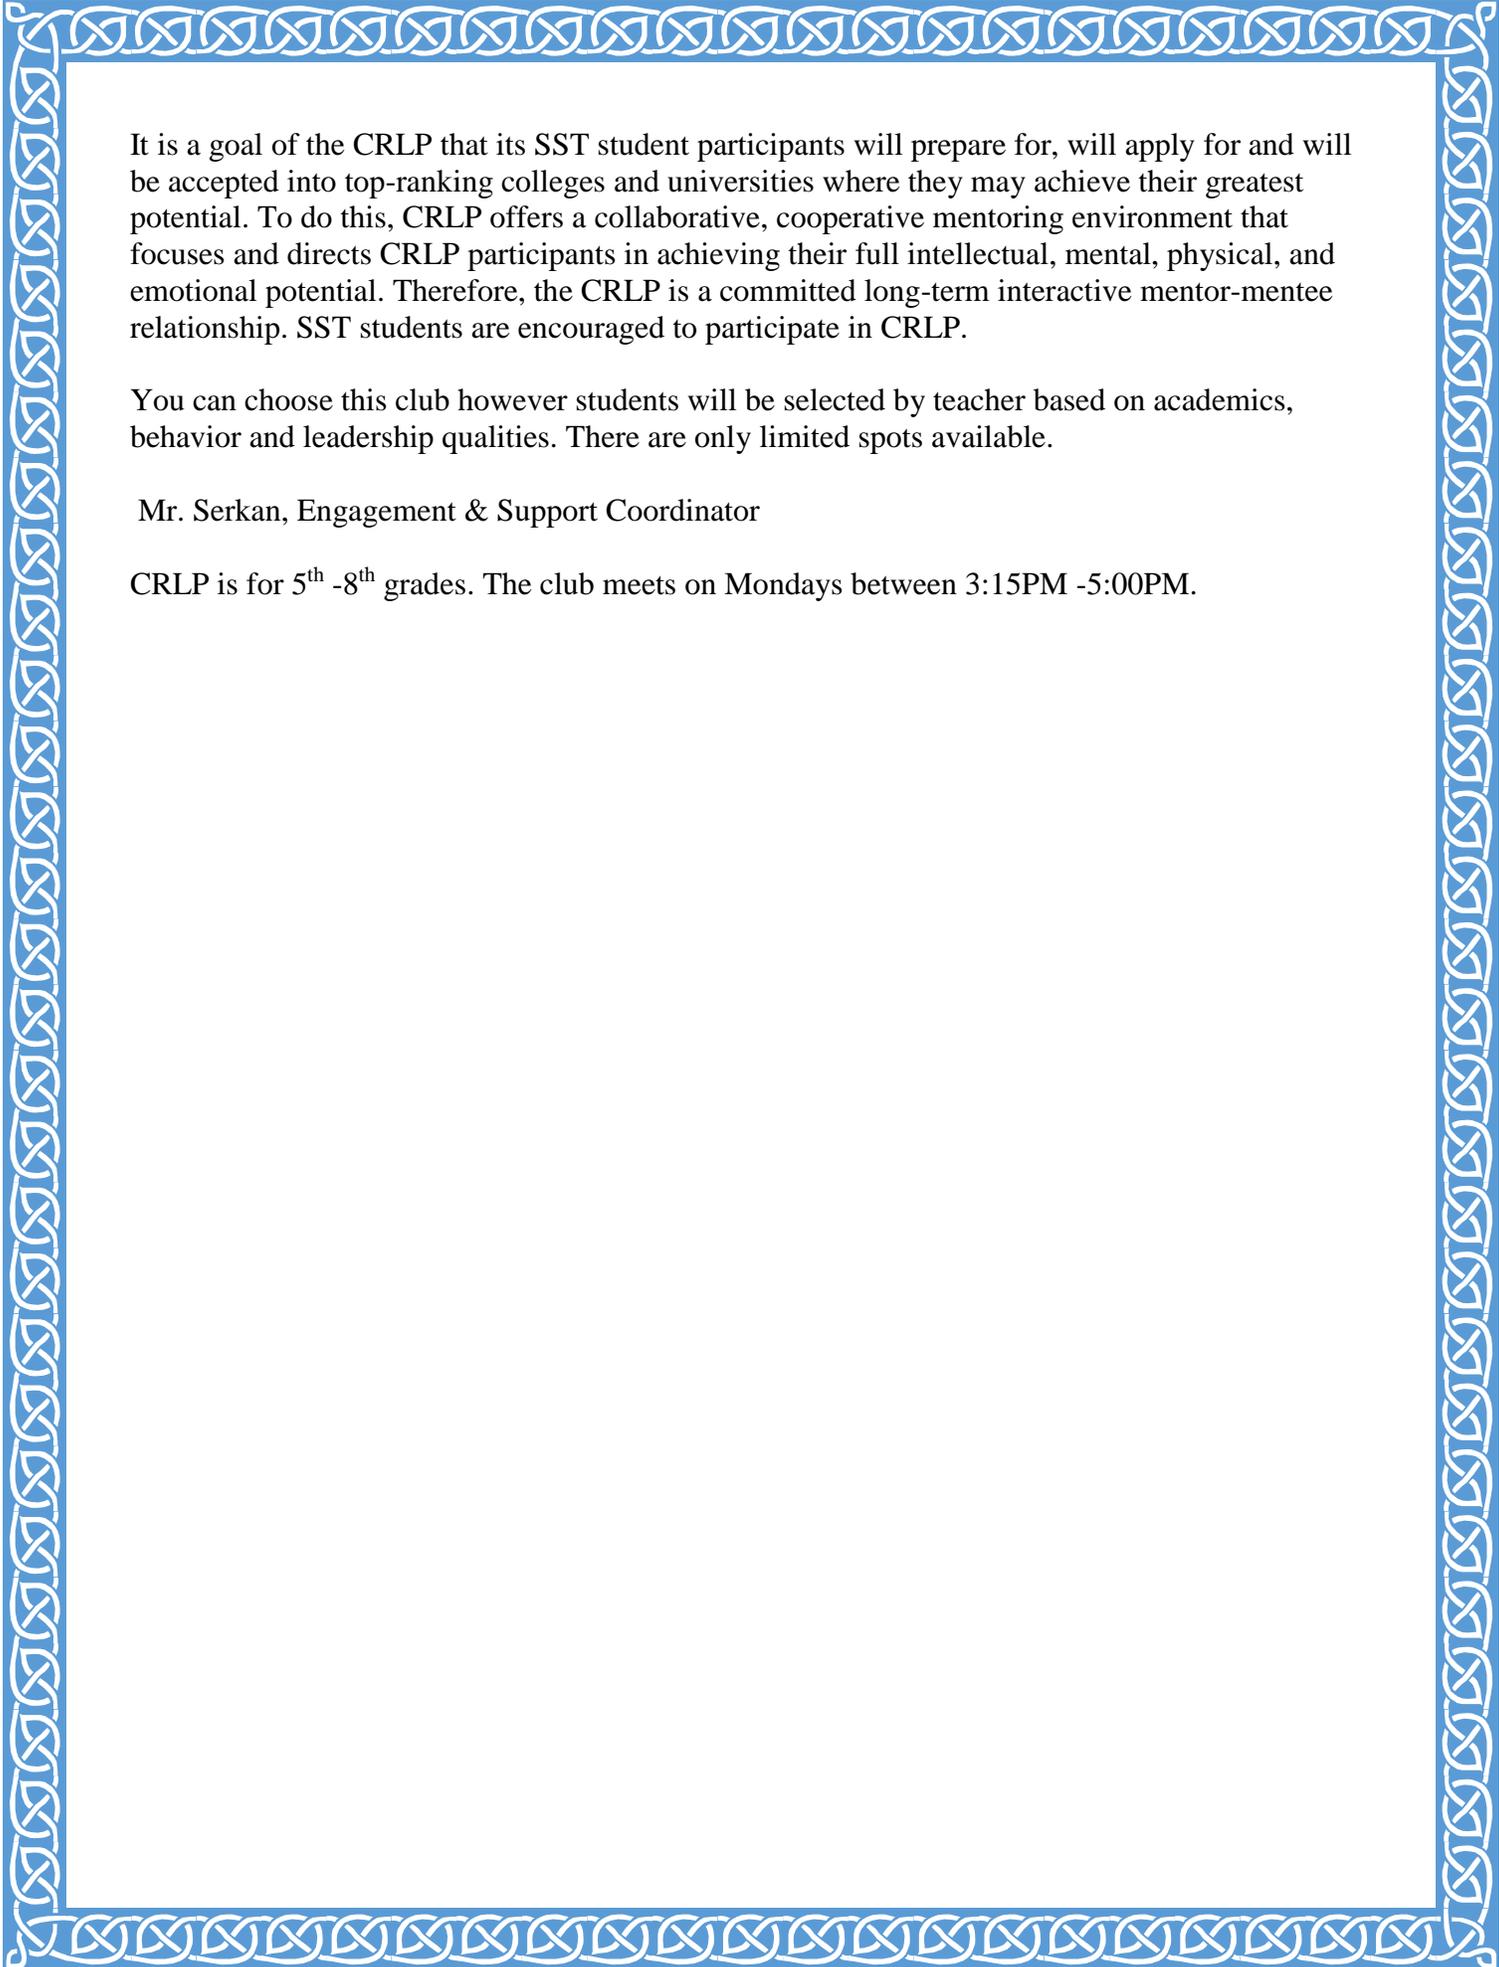

SST's philosophy is simple: "Better education, better future." We deliver a rigorous STEM-centered curriculum that is focused on producing excellent academic results. These programs are designed to help students develop the skills and educational background necessary to gain acceptance to college, particularly in science and engineering programs.

We expect every student to perform to the highest standards, and we believe that every child can achieve excellence in the classroom, and in life, if we nurture, develop, and challenge them. We also encourage significant parental involvement in a child's academic pursuits.

The founders of the CRLP understand that what one does has far greater impact than what one says. In as much, the CRLP is a mentorship program designed to model academic and social skills that will prepare SST students for successes in higher education. Skills modeled for and expected of CRLP participants include:

- Personal and Academic Development
- Voluntary Public Service
- Expedition and Exploration, and
- Physical Fitness

It is a goal of the CRLP that its SST student participants will prepare for, will apply for and will be accepted into top-ranking colleges and universities where they may achieve their greatest potential. To do this, CRLP offers a collaborative, cooperative mentoring environment that focuses and directs CRLP participants in achieving their full intellectual, mental, physical, and emotional potential. Therefore, the CRLP is a committed long-term interactive mentor-mentee relationship. SST students are encouraged to participate in CRLP.

You can choose this club however students will be selected by teacher based on academics, behavior and leadership qualities. There are only limited spots available.

Mr. Serkan, Engagement & Support Coordinator

CRLP is for 5th -8th grades. The club meets on Mondays between 3:15PM -5:00PM.
